

Remarks/Arguments:

Applicants are adding claims 8-10 drawn to an apparatus of the invention. Claims 8-10 do not introduce new matter into the application and find basis squarely within the specification as filed.

In view of the foregoing amendment it is respectfully submitted that the above-identified application is in condition for allowance and a notice to that effect is earnestly solicited.

Respectfully submitted,

 James C. Simmons, Reg. No. 24,842
 Attorney for Applicants
